

**PUBLICATIONS & PRESENTATIONS**

Processing	Oct 1979	Heat Integration
Chemical Engineer	Dec 1980	Energy Economy in Crude Distillation
I. Chem. E.	Mar 1980	Crude Oil Distillation
Institute of Measurement & Control	Apr 1980	Application of Microprocessors to Control
EuroChem	Jun 1980	Crude Oil Economics
Process Development Technology III	Oct 1980	Energy economy in Crude Oil Distillation
Cost savings In Distillation (I.Chem. E.)	Jul 1981	Practical benefits from Process Simulation
Process Development Technology IV	Oct 1981	Reducing Energy Costs in refining using Micro-processor control.
Understanding Process Integration (I.Chem. E.)	Mar 1982	Improved Heat Integration and Operability in Heat Exchanger networks
AutoCAD User Group	Jul 1989	CAD – Choosing the Tools
AutoCAD User Group	May 1990	CAD – Procedures for Quality
Institute of Mechanical Engineers	May 1980	Engineering Workstations – a practical guide.
